Technical Specification Sheet

Fyfield Engineered Natural Oak Brushed & Oiled Click-Lock Wood Flooring (190mm x 15/4mm)

Product Overview

The Fyfield Engineered Natural Oak flooring offers a beautifully natural appearance, enhanced by a brushed and oiled finish that highlights the texture and character of the wood. The wide 190mm boards create a more open and seamless look, making it a lovely choice for both modern and traditional interiors.

Featuring a practical click-lock system and a slightly thicker 15mm construction, this flooring is designed for both durability and ease of installation, making it a great option for everyday living.

Construction Details

This flooring features a multi-layer engineered construction, designed to provide strength and stability.

- Top layer: 4mm solid oak veneer
- Core: Cross-layered timber or plywood construction
- Base layer: Stabilising backing layer

The slightly thicker wear layer offers improved durability and allows for potential refinishing over time, making it a practical long-term choice.

Finish & Surface

The brushed and oiled finish enhances the natural beauty of the oak while adding both texture and depth.

- Brushing highlights the grain and creates a subtle textured surface
- Oil penetrates the wood for a soft, matte appearance
- Allows for easier localised maintenance and repairs

This creates a floor that feels warm, natural, and easy to live with.

Key Specifications

Specification	Details
Product Code	190154BOCL1
Flooring Type	Engineered Wood
Wood Species	Oak
Finish	Brushed & Oiled
Thickness	15mm
Wear Layer	4mm Solid Oak Top Layer
Board Width	190mm
Board Length	Mixed lengths (300mm – 1200mm)
Edge Detail	Micro Bevel
Grade	Natural Grade
Profile	Click-Lock System
Installation Method	Floating (Click Installation)
Pack Coverage	1.824 m ² per pack
Underfloor Heating	Suitable (see guidelines below)
Surface Texture	Brushed
Finish Type	Natural Oil
Room Suitability	Living Areas, Bedrooms, Hallways
Commercial Use	Light Commercial

Board Style & Appearance

The 190mm wide boards help create a spacious and contemporary feel, allowing the natural variation of the wood to stand out.

Each board features unique grain patterns and tonal differences, adding to the authentic character of the floor.

Installation Information

This flooring features a **click-lock system**, designed for quick and straightforward installation.

- Boards click together without the need for adhesive
- Installed as a floating floor
- Suitable for most DIY installations

This system makes fitting faster and more convenient while still providing a secure and stable result.

Underfloor Heating Compatibility

This flooring is suitable for use with **water-based underfloor heating systems** when installed correctly.

- Maximum surface temperature: 27°C
- Gradual temperature changes are recommended
- Ensure proper subfloor preparation

Electric underfloor heating systems are not recommended unless specifically approved.

Maintenance Overview

To maintain the natural look and performance of this flooring:

- Clean regularly using a soft brush or vacuum
- Use a damp (not wet) mop
- Apply maintenance oil periodically
- Avoid harsh chemicals and excess moisture

For best results, follow a dedicated care and maintenance guide for oiled wood flooring.

Environmental & Performance Notes

Engineered wood flooring offers a more efficient use of natural timber while maintaining the look and feel of solid wood.

- Designed for stability in changing environments
- Long lifespan with proper care
- Suitable for modern living conditions

Important Notes

- Flooring must be acclimatised before installation
- Check all boards prior to fitting
- Natural variation in colour and grain is to be expected
- Not suitable for bathrooms or wet areas

Final Thoughts

The Fyfield Engineered Natural Oak Click-Lock flooring combines a beautifully natural brushed and oiled finish with the convenience of a modern installation system. Its durable construction and wide board design make it a practical and stylish choice for a wide range of interiors
